

Performing Arts Season

It has been said that art can change the world, and Memphis is doing her part. Most of us know the feeling of being moved by a work of art, whether it is a song, a play, a dance, a story, a painting, or a sculpture. Art touches us, moves us, inspires us; transports us to a new place while bringing us together.

It's time to engage your senses and connect with the arts. Let the season begin. Take your seat and enjoy the show!
